

Event Pass

User instructions

- Your voucher number (9 digits) can be found on your access card for the event. (Event Pass: xxxxxxxxx).
- As from 3 days before the event you can get your Event Pass from one of the 375 automatic **GO** vending machines in our metro stations or at the most important surface tramway or bus stops from STIB. (a list is available on www.stib.be). Follow the simple procedure in seven steps to collect your Event Pass.
- Once you have collected your Event Pass, you have free access to our network (including the Noctis night network) to reach the event and return from it hassle-free and in comfort, without worrying about car parking or traffic jams.
- Visit our website or the website of the event organizer to plan the best route to reach the event.
- Be aware that your voucher number can be used only once. It will be de-activated upon collection of your Event Pass.
- Do not forget to validate your Event Pass whenever you enter a station, a tramway or a bus. Using the network without a validated Event Pass will be considered as an infraction.

1. Select « Event Pass » with the small wheel and push the green button to confirm your choice.

2. Enter the 9 digits of your voucher. You need to validate every single digit with the green button.

3. If you enter a wrong digit:
 - Push « Correct » in order to erase the last digit.
 - Push « Cancel » if you want to erase all the entered digits.

4. To confirm the entered voucher number push « Confirm ».

If you have made a mistake, push « correct » to go back to the second screen or push « cancel » to cancel the whole operation.

5. The Event Pass is being printed.

6. The transaction has been completed. Do not forget to collect your Event Pass.

7. If the automatic **GO** vending machine is unable to deliver the Ticket, we kindly ask you to proceed to another automatic **GO** vending machine to collect your Event Pass.
